

# MERITS OF SAMIS

## SCHOOL MANAGEMENT

- Add, view, delete, or search students
- Add student photo to appear on student profile and report form
- Manage streams and classes (the system automatically upgrades students to the next form)
- Generate class lists
- Generate leaving certificates
- Generate leave-out forms
- Manage teaching and non-teaching staff
- Select the subjects and classes taught by each teacher

## EXAMINATION

- Add as many exams as needed
- Specify the type of exam (End term, CAT 1, etc.)
- Manage exams out-of and term weight
- Easily manage form four exams, i.e., exams with Paper 1, Paper 2, and/or Paper 3.
- Easy and convenient entry of student marks, via the desktop system and mobile app
- Manage students' subject selection
- Manage each subject's grading system (say Grade A for Maths to start at 65 and for humanities at 85)
- Perform analysis of exams at the click of one button (you can analyze a single exam or the whole term's exams)

## ACADEMIC REPORTS

After an analysis the system produces the a wide range of reports, including:

### ANALYSIS

- Carry out a separate analysis for standard exams
- Able to analyze KCSE marks according to the KNEC standards
- Remote printing of documents and reports

## SAMIS MOBILE APP FOR TEACHERS

### MOBILE APP

The SAMIS mobile app allows teachers to:

- Enter student marks
- View marks
- View exam reports
- Manage exam settings
- View students lists

## SAMIS SMS MODULE

- Get a Custom Sender ID, i.e., SMS with the name of your school
- Send Custom bulk SMS (as many SMS as needed with the click of one button)
- Send Fee Balances
- Send students' Report Form
- Send leave-out notification
- Send parents SMS to remind them of events, such as Mid-term, Visiting Day, etc.

## SAMIS WEBSITE & PORTAL.

We are in the digital world, where even schools require a website. A website raises the profile of your school and also allows parents, who might not have heard about your school, to find it online. In this package, you get:

- A fully customized and functional website
- A mobile responsive website, i.e., it can be easily viewed on mobile devices
- A blog section for posting announcements and other relevant information
- A portal for students and parents to download:
  - Report forms
  - Fees receipts
  - Fees statements
  - Revision materials

## FINANCE (ACCOUNTS MODULE)

### BENEFITS TO THE

#### BURSAR

- Payment of receipts, vouchers and invoices is more easier as it is done directly from system
- Be able to link the school's bank accounts with the system so as to process the transactions between the bank and the school easily.
- Perform inter-account bank transfers within the system.
- Send SMS bearing fee reminders to the parents and/or guardians.
- Import bulk data from an excel spreadsheet to avoid entering data one by one.
- Able to export data to excel and/or save as PDFs for later referencing.
- Print leave out sheets containing student details, fee balances and payment details
- Create local backups of the database to avoid loss of data in the future.

#### IPSAS REPORTS

- STATEMENT OF BUDGETED VS ACTUAL AMOUNTS
- STATEMENT OF CASH FLOWS
- STATEMENT OF RECEIPTS AND PAYMENTS
- STATEMENT OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES
- NOTES TO THE FINANCIAL STATEMENTS

Be able to link the school's mpesa account with the system so that each mpesa transaction is auto-detected by the system

#### OUR VISION

To be the leading software solution company for schools and other organizations. We understand that the satisfaction of our customers translates to our growth, that's why we are committed to providing quality systems and excellent customer support.

#### OUR MISSION

We help schools and other institutions with management by providing reliable, user-friendly, feature-rich and effective management software.

#### ABOUT SNOWBIT

Snowbit Enterprises is a Kenyan-based company, founded in 2013, which specializes in the development of software for schools and other organizations. We are the developers of School Management Information System (SAMIS), a system for managing academics and finances in schools, and JFMIS, a system used by the Judiciary of Kenya.

## WHAT WILL YOU BENEFIT FROM OUR SYSTEMS

- ✓ A customer care service to aid you instantly in case of hitches.
- ✓ flexible payment methods with no renewal charges
- ✓ Be able to link all our systems and work with them as a single unit.
- ✓ Ensure data privacy and confidentiality by having multiple users all under one platform.
- ✓ Experience wide complementary alternative methods to perform a task.

Samis is a big time win when it comes to timely and accurate keying in and analysis of results. Mobile app makes it more friendly to the teachers as they can key in their marks and check on the progress of their learners from time to time anywhere anytime.
